

## DISCOVER SECRET STUDIO SPACES

## WATCH ARTISTS AT WORK

## BUY CONTEMPORARY ART AND DESIGN DIRECT FROM THE MAKER

North Yorkshire Open Studios is an annual event enabling selected artists and makers to open their studios, meet, promote, and sell their work direct to the public over the first two weekends in June.

As North Yorkshire is such a large county, NYOS is split into 3 areas - Dales, Central, and Moors & Coast. We include Artists and makers working across a range of different disciplines including painting, printmaking, ceramics, woodwork, glass, jewellery, photography, sculpture, textiles, mixed media, and more!

If you can't make it to a studio, most Artists would be happy to arrange a time for you to visit that is suitable for you both. You can find an artist's contact details online at [www.nyos.org.uk](http://www.nyos.org.uk). Most Artists also have their own websites with latest news about how to contact them or other events they are taking part in.
